

## Glennwood Pool Fund Raiser 2026 Business Partnership Campaign

Dear CSRA Business Leader,

On behalf of the Glennwood Pool Board of Directors, thank you for taking a moment to learn about one of Columbia County's longest-operating community pools.

For decades, Glennwood Pool has served as a vibrant gathering place where families connect, children grow, and neighbors build lasting relationships. Our members come not only from the Glennwood subdivision, but from Evans, Martinez, Augusta, Grovetown, Harlem, Waynesboro, and North Augusta.

Unlike many neighborhood amenities, Glennwood Pool is not supported by an HOA or property assessments. It is sustained entirely by memberships, volunteers, and community partnerships.

In 2024, Hurricane Helene caused significant damage to our facilities, including fencing, cabanas, and the pump house. Through extraordinary volunteer effort and emergency fundraising, we reopened the pool on time in 2025. However, restoration efforts and unexpected infrastructure expenses have depleted our reserves, making 2026 a critical rebuilding year.

We are now launching our 2026 Community Partnership Campaign to fully restore Glennwood Pool as a safe, welcoming, and vibrant gathering place.

We invite your business to partner with us.

Sponsorship opportunities provide:

- Seasonal brand visibility at Columbia County's oldest established community pools
- Recognition through events, website, and social media
- Meaningful engagement with local families
- Alignment with a trusted, family-centered community institution

Please review the enclosed sponsorship tiers and scan the QR code to view a brief video sharing our story and vision for the future.

When you partner with Glennwood Pool, you invest in connection, visibility, and the next generation of community memories.

We would welcome the opportunity to speak with you personally about how your business can be part of this next chapter.

Thank you for your consideration.

Glennwood Pool Board of Directors
